SPINTEC 343

The ALTO SPINTEC 343 is available in two versions - SPINTEC 343 (160 RPM) and 343 H (400 RPM). Both models have a cleaning path of 430 mm (17").

The SPINTEC is not only extremely quiet and easy to use, it is also extremely safe due to the double safety locks that ensures; no operation in upright position and no accidental starts.

The SPINTEC is the ideal solution for light standard cleaning applications and the SPIN range for more demanding tasks.

The Nilfisk-ALTO polisher range is the ideal solution for professional maintenance and cleaning tasks on a variety types of floors; concrete and coated floors, stone and ceramic floor coverings, tiles, PVC and linoleum, parquet, wood and carpets... anywhere there is a floor.

- Quiet and well balanced, makes it a pleasure to use
- Rugged steel tube and frame resist knocks, bumps without breaking
- Cable hook so the cable can easily be wind up on the machine
- Extruded vinyl bumper protects inventory and the machine from damages
- Large non marking transport wheels
- Double safety switch for optimal safety
- Adjustable handle
- Belt driven with offset motor

SPIN 43 / 43HD / 43 DS

Nilfisk-ALTO offers not only the SPINTEC but also an ALTO SPIN 43 range. The SPIN range consist of a 180 RPM, a high speed 450 RPM and a dual speed 190/380 RPM model. All models have a cleaning path of 430 mm (17").

SPIN 43 polishers designed for medium-duty usage suitable for scrubbing, wet/dry polishing, shampooing and floor polishing.

SPIN 43 HS - high speed polisher exceeds the demands when it comes to giving your a clean floor with high gloss.

SPIN 43 DS - dual speed polisher exceeds the demands for stripping, scrubbing, wet/dry polishing, shampooing and floor polishing. Leaves a clean floor with high gloss.

- Quit and well balanced, makes it a pleasure to use
- Rugged steel tube and frame resist knocks, bumps without breaking
- Cable hook so the cable can easily be wind up on the machine
- Extruded vinyl bumper protects inventory and the machine from damages
- Large non marking transport wheels
- Double safety switch for optimal safety
- Adjustable handle
- Belt driven with offset motor

Choose the perfect polisher for your needs

The Nilfisk-ALTO polisher range offers a choice of five models. All models with a 430 mm cleaning path.
We also provide a range of accessories so you can custom-build your polisher to match your specific cleaning needs.
